**Scripture Reflections ...**

**Dear friends in Christ,**

**A SIMPLE ACT**

In one parish in which I was involved in the Rite of Christian Initiation of Adults, a man named Jack was preparing to receive the sacraments of initiation. Part of the process in that parish was to have the catechumens (those preparing for the sacraments) join other parishioners in various ministries and activities in the parish and in the wider community. Jack was a gregarious, comical, wonderful man who always gave the group a spark of enthusiasm. He was never at a loss for words. One week the group of catechumens went to the local homeless shelter to prepare and serve the evening meal. When we returned from this outing, Jack did not speak for about six weeks. We became concerned, but decided, at the urging of his sponsor, to allow him to take the time he needed to break out of this silence.

**A LIFE CHANGED FOREVER**

Finally Jack shared what was going on in his life. He told us that at the homeless shelter, he was front and center. He had positioned himself so that he could ladle the sloppy joe mix onto the hamburger buns and hand the plate to the person in line. He said he was just loving the work, grasping the ladle, spooning the mixture onto the bun, then handing the plate to the next person, when all of a sudden a deep reality struck him. He said, "This is what my hands were meant to do." Then he shared with us that many of the things his hands had done in his life were sinful and didn't bring life to anyone. He told us again and again that what he was doing at the shelter was what his hands were created to do. Jack's story is a great reminder to each of us on this feast. As people who regularly consume the Body and Blood of Christ, we are called to do what we were created to do: become Christ for one another.

**Catholic Education Sign Up Sunday**

**Are you a supporter of publicly funded catholic Schools?**

Archbishop Collins has asked that this weekend be designated as Catholic Education "Sign Up Sunday" in all parishes. We invite all parishioners to designate their support of the Catholic school system on their property tax assessment. Our parish lies within the boundaries of York Region. You may not be aware that if you move, your assessment status defaults to that of a public ratepayer. Your support helps to maintain an accurate registry of Catholic ratepayers, determine the number of Catholic Trustees to govern our schools, and most importantly, allow you to participate in the voting process to elect school Board Trustees. The next election will take place this October in municipalities throughout our Archdiocese. Materials are available at the back of the church this weekend to help provide a step by step process to ensure you are registered as a Catholic school supporter. Thank you for your ongoing support of Catholic Education.
